DEW FROM HEAVEN

Dear Participants,

It is with great pleasure and excitement that we celebrate the 20th anniversary of the Crescendo Summer Institute together with you this summer.

What is unique to CSI is the opportunity to grow personally and spiritually in an accepting, family-like atmosphere of the Sostenuto Gathering. This begins with the Sostenuto Gathering, where we will spend 3 days of fellowship in the beautiful city of Tokaj, focusing on what brings refreshment and nourishment to our hearts and lives.
